

Greetings!

Once again Parents in Partnership will be running a fundraising campaign with

Pay \$100, Get \$100

Pay face value for cards, get face value at the retailers (you lose nothing), and a percentage is donated to your cause.

WHAT IS THE FUNDSCRIP FUNDRAISING PROGRAM?

Fundscrip is an innovative program that lets you earn cash rebates for your organization based on things you buy everyday like groceries, gas and other household items.

Every month you spend hundreds of dollars for things like food, gas, clothing, pharmacy, restaurants, electronics, home renovations, department stores, and so on.

All you have to do is pay for some or all of your purchases using **GIFT CARDS** bought at face value from FundScrip participating retailers and a percentage of every gift card purchased is contributed to your group's fundraising efforts.

Most fundraisers ask you to take out your checkbook to buy things you don't want or need....

Fundscrip costs you nothing!

You make your usual visit to the grocery store. You fill your cart and go to the check out. Instead of paying with cash or a debit card, you use a gift card that you purchased through our group. It costs you nothing extra but you just earned money for your group.

Ask family & friends to support our group?

We encourage everyone to invite their family members, friends, co-workers and neighbors to participate in FundScrip as well. After all, they probably buy groceries and gas, just like you do. You could give them an order form and they can order at the same time.

The gift cards come preloaded and are available in various denominations. As you use the cards, the value of the purchase is automatically deducted from the value stored on the card. If you don't use the entire amount, the balance **remains on the card and** can be used for future purchases.
