

### Supply List for Ms. Meilleur's Class 2017-2018

In grade 3 and 4 we are learning important organization skills. An important part of this learning process is colour-coding our notebooks. I have specified when a certain colour is important to this system. Please help us by purchasing that item in the specified colour(s).

Please also label everything with your child's name (including individual markers, pencil crayons, etc) prior to the first day of school. It makes it easier to return these items to their owner if lost.
