

BRICKS 4 KIDZ

we learn, we build, we play with
LEGO® Bricks

AFTER SCHOOL

So fun. it won't feel like learning!!

LEGO CLASSES

**Mondays, Jan 29th to Mar 19th
3:30pm to 4:30pm**

Beautiful Saviour Lutheran School

COST: \$70 for 7 weeks

To register please fill out attached registration form.
Cheques can be made payable to BSLS.

Unit Theme: Air, Land & Sea

Step aboard to build some exciting vehicles to get from here to there. Kids will learn what makes each machine unique and how it moves, exploring concepts such as buoyancy, propulsion, lift and g-forces. What other ways will you invent to travel through air, land and sea? Whether you're a high-speed thrill-seeker or just curious about how things work, this unit offers something for everyone.

This class is best enjoyed by students in Kindergarten to Grade 5.

In these fun, educational classes, students will experience hands-on engineering fundamentals as they build motorized models using LEGO® Bricks. Bricks 4 Kidz® provides a curriculum which introduces children to engineering, architecture and scientific principles. Allow their imagination and creativity to soar during a free-play building session at the end of each class.
