October 2018

To Whom It May Concern:

We are writing on behalf of Beautiful Saviour Lutheran School (BSLS) and their Parent in Partnership (PIP) committee. BSLS is a two-campus, elementary school and child care centre with classes from Nursery to grade 8. We have been serving the Winnipeg community since 1995 through the support and generosity of people like you.

As in previous years, we are holding our Christmas Supper and silent auction scheduled for November 17<sup>th</sup> 2018, at the Caboto Centre. This is our biggest fundraising event of the year and is typically attended by roughly 300 people.

We are requesting that you consider donating to this event and will gratefully accept any donation from you or your organization. These donations may be in the form of a gift certificate, merchandise, services, passes or tickets for the silent auction or alternatively, sponsorship for this event is also available and is available at three different levels (see next page). As an independent school, BSLS is a registered charity and issues charitable donation tax receipts for the value of the goods donated.

Through the generosity of our community and extended family and friends, we can continue to fulfill our mandate to strive for Excellence in Education Under the Gospel. Any questions in response to donations please contact Anne Scott-Herridge at 204-887-1031 or [ascottherridge@gmail.com](mailto:ascottherridge@gmail.com).

Thank you for considering our request.

Sincerely,

Jennifer McCrea  
Principal  
Beautiful Saviour Lutheran School

Anne Scott-Herridge  
Parents in Partnership Fundraising Representative
