

Beautiful Savior  
LUTHERAN SCHOOL

## The BSLS Parents In Partnership Advisory Council

*Excellence in Education, Under the Gospel*

Dear Parents,

Our summer days are now numbered, which signals the beginning of school and ...

### **SCHOOL FUNDRAISING!**

Perhaps the fundraising isn't as exciting as our font choices would lead you to believe, but the upgrades, expansions and new initiatives that we can purchase with the funds for our children are definitely exciting!

Our first fundraiser of the year is the **Show & Save**. Traditionally a coupon book, Show & Save launched an app last year along with the book. *This year, the entire Show & Save is app only.* This is a great new change! The app will always be with you on your smartphone, which means no hunting for and carrying around the entire coupon book. It allows you to search for coupons nearby, by title or type. If you had bought more than one copy of the book in the past, in order to double up on coupons, that is still available on the app.

More information will follow, but the app subscription can be ordered online using our fundraising code. *The price remains the same at \$25,* with even more profit going towards our school the more app subscriptions sold!

We wish you some very enjoyable last days of summer, and are looking forward to seeing you in the fall!

Blessings,

Your PIP Committee
