Hello BSLS families!

As promised, here is our first fundraiser of the year...**Show & Save: the subscription app.**

The app itself is **free** (no book to lose!), and you should be able to download it to preview the coupons. The fundraising begins when you are purchasing your **\$25** subscription to the app, there will be an area to enter our fundraising code. The code is **3PVM1**.

The Show & Save subscription app:

- Always with you on your smartphone
- View coupons for places nearby
- Works immediately and the subscription lasts one full year
- Coupons searchable by name or keyword
- Still just \$25
- BSLS can earn up to \$12.50 per subscription sold!

Please note that your smartphone requires an **IOS 10** or **Android 7** in order to run the app. Some makes or models of phones may not be compatible with the app.
