

Beautiful Savior

LUTHERAN SCHOOL

Excellence in Education Under the Gospel

Good morning, I hope everyone had a good weekend. This week I am going to suggest activities about bugs and insects. With Spring in the air there are a lot of bugs outside.

PLAY DOUGH BUG SCULPTURES

YOU WILL NEED:

- play dough in a few colours
- large googly eyes
- pipe cleaners
- straws
- other things you might have on hand like tooth pics, popsicle sticks, buttons...

BUG ROCKS

YOU WILL NEED:

- rocks and stones of various sizes
- glue
- markers or paint
- googly eyes and other miscellaneous arts and crafts supplies

Let the children create their own pet bug rock!

If you would like to forward any photos you have taken of your child participating in an activity, please send them to childcare@bsls.ca or pictures@bsls.ca.

Have a wonderful day.

Mrs. Natasha Slawik
Director of Childcare Services.
