Excellence in Education Under the Gospel

Good morning,

If you would like to forward any photos you have taken of your child participating in an activity, please send them to childcare@bsls.ca or pictures@bsls.ca.

Crab Walk Race – Show your child how to walk like a crab.

Crab Walk

Fish out of Water – Use a plastic toy fish or sponges shaped like fish. Set fish next to your child and put a bucket or small pool of water a few feet away from them. Have your child toss the fish back into the water.

Have a wonderful weekend.
