

Beautiful Savior

LUTHERAN SCHOOL

Excellence in Education Under the Gospel

Dear Parents and Guardians,

We would like to extend our appreciation and gratitude to the parents and guardians of the children of Beautiful Savior Lutheran School. We realize the pandemic and the uncertainty of the current situation has created a tremendous amount of stress on families. We would like to say 'Thank You' for the amount of time parents and guardians are spending with their children through the remote learning.

We are appreciative of the teachers and the extra time they have spent to get studies going through remote learning and the innovative ways the community is continuing to be cultured even from afar.

May the Lord be with you and keep you and your family safe and sound during this crisis.

Sincerely,

Board Members of Beautiful Savior School

Gary Herkert

Pastor Schnarr

Arnie Klymchuk
