

Beautiful Savior

LUTHERAN SCHOOL

Excellence in Education Under the Gospel

[view this email in your browser](#)

Good afternoon,

I hope you are all doing well and staying healthy. It is so sad not to see the children and hear their laughter daily as they walk in the door. It continues to be a challenging time as we all struggle with working from home and being home with our child(ren) all at the same time.

Please continue to be in touch with your child(ren)'s teacher if you are facing a struggle that he/she could help you with. Each family dynamic is different in normal circumstances and during this time families are even under more strain. Our goal is to provide curriculum based learning opportunities that may help to provide structure at home. Please continue to work on these as it works for your families. Your child(ren)'s teacher(s) can adapt the workload as required for your family. Please be assured that we are also planning when school resumes and we will be focusing on the learning recovery needs that may be demonstrated with our students.

While the remote learning continues and we have a scheduled day off, the teachers will not assign any additional work for that day but will be available for video chats/conferences as needed. Please contact your teacher directly to arrange a time if that would be beneficial for your child(ren).

Manitoba Education and Training has asked us to share the links below with our community.

Stay safe and God Bless,

Mrs. McCrea
