## LUTHERAN SCHOOL

*Excellence in Education Under the Gospel*

Good afternoon,

Next week we will begin to invite students to have scheduled meetings with their teachers. We are very excited to see all the students in person! (Please see the previous email or our website for the policies required to be followed.) Please know that if you are not comfortable coming into the school, we can provide virtual assessments as well. We will work with you at your comfort level.

Although we will begin to see some students in the building, our remote learning will continue through June with our Grade 8 grad and our Kindergarten grad events occurring on Wednesday, June 24th. Our grad events will be made up of a video compiled of student work, presentations and speeches followed by a drive-thru loop event in which certificates and diplomas can be received. We have planned to have the personalization of the video and ceremony combined with safe measures in place. In the coming weeks, we will provide updated information to our community about these events.

We are also excited to look forward to the new school year. Although there still may be questions we can not answer until we get closer to September, we can announce with excitement our changes for next year. Our staff will remain the same, but some changes in teaching assignments have been made.

Kindergarten - Ms. Whitney

Grade 1 - Mrs. Petkau

Grade 2/3 - Mrs. Van Dale

Grade 3/4 - Ms. Meilleur

Grade 5/6 - Mr. Bennett

Grade 7/8 - Mrs. Butterfield

Music - Mr. Badiuk

Phys. Ed & Health - Mr. Wozney

French - Mdm Medeiros

We hope you are as excited as we are with the changes and we look forward to working together. We know that September will look different in some ways (still yet to be determined and confirmed due to COVID-19), but we have a fabulous teaching team to support your child with in-school classes and also remotely as necessary and required.

Our remote learning participation and student engagement has been fantastic. We look forward to continuing to grow in-class and remotely with your family in the coming year.

In the coming weeks we are expecting to hear more confirmations to the school year from the province. I will keep you updated with new information as it is revealed.

We still really miss you all and look forward to seeing you soon.

God Bless,

Jennifer McCrea
