Excellence in Education Under the Gospel

If you would like to forward any photos you have taken of your child participating in an activity, please send them to childcare@bsls.ca or pictures@bsls.ca.

The following are fun activities to help children learn their alphabet and practice their fine motor skills.

ALPHABET PLAYDOUGH

- Write out letters on paper or a cardboard then offer your child/children playdough to form the letters.

MASKING TAPE LETTERS

- Use masking tape to make a letter on paper or cardboard. Paint or colour over it. Remove tape and see the letter appear.
