## LUTHERAN SCHOOL

*Excellence in Education Under the Gospel*

I hope everyone is well and safe.

If you would like to forward any photos you have taken of your child participating in an activity, please send them to [childcare@bsls.ca](mailto:childcare@bsls.ca) or [pictures@bsls.ca](mailto:pictures@bsls.ca).

This week's theme is "numbers". Understanding numbers is an important skill. Children encounter and observe various concepts of mathematics from an early age.

## SONGS AND FINGERPLAYS

### Here is the Beehive

Here is the beehive (make a fist)  
Where are the bees?  
Hiding inside where nobody sees  
Watch them come creeping out of the hive  
One, two, three, four, five (release one finger at a time from the fist/hive)  
...BUZZ-ZZZ (wiggle fingers)

### Five Green, Speckled Frogs

Five green and speckled frogs (hold up five fingers)  
Sat on a speckled log,  
Eating the most delicious bugs,  
Yum, yum! (rub tummy with other hand)  
One jumped into the pool (tuck one finger down)

Where it was nice and cool,  
Then there were four green speckled frogs,  
Glub, glub!

Four green and speckled frogs...  
(Continue until there are no speckled frogs on the log).

## Five Little Ducks

Five little ducks went swimming one day (hold up five fingers)

Over the hills and far away (hold arm across body and tuck fingers behind shoulder on the opposite side of the body)

Mother duck said, “Quack, quack, quack, quack” (use other hand to make a mother duck beak and open and close hand to quack)

But only four little ducks came back (bring first hand back to the front with four fingers showing Continue until no little ducks came back, then;

Old Mother Duck went out one day,

Over the hills and far away,

Mother Duck said “Quack, quack, quack, quack”

And all of those five little ducks came back.
