

# Beautiful Savior LUTHERAN SCHOOL

*Excellence in Education Under the Gospel*

[view this email in your browser](#)

Good afternoon,

It has been so wonderful to see the students coming in! Thank you to everyone for being patient while completing the screening process and for remembering your face masks. We continue to follow fairly strict protocol to ensure the safety of our staff, family, and students.

We are still waiting for confirmation from the government for the official start date in the fall. As soon as I receive official notification I will notify you immediately. The government is currently looking to begin Aug. 31 rather than after Labour Day and I will confirm the school calendar as soon as possible.

We are still hoping to have a regular start in the fall, but as you know that can change depending on our situation in Manitoba. As public health orders change and are updated, I will update you on what that may mean for BSLS (and other schools). Again, currently we are hopeful for a regular start!

Please note the following few dates to keep in mind for June.

Our **kindergarten orientation** will be held on **June 23rd** from 10:00-12:00 pm. We hope to meet our new kindergarten students in the front of the school and have a short visit outside. Students who would like to see the classroom again will be able to visit with Mrs. Whitney while they tour the classroom. If you have a child entering kindergarten, look for an email with complete details soon!

Our **grade 8 graduation service** will be **June 24th** with a online video compilation at 9:30 am with a drive-thru service in our loop at 11:00 am. Families will be emailed a link to view the video prior to the date.

Our **kindergarten graduation** will follow the grade 8's on **June 24th** with a video online at 11:00 am followed by a drive-thru service in our loop at 1:00 pm. Families will be emailed a link to view the video prior to the date.

**Report card pick up** will be on **June 25th** from 10:00-1:00. We hope to combine report card pick up with our **family appreciation celebration**. We will have report cards organized by family for pick up. Please come to the loop on the 25th for pick up. There will be no need to exit your car. We will bring the report card(s) with a little gift to you. All staff will be here along the loop to say hello from a safe distance! Don't worry if you can not make it, any report cards not picked up during this time will be mailed unless alternative arrangements are made with Mrs. Madden. Sorry, early pick up is not available.

It has been so wonderful to see everyone! We have missed you and are very excited to see everyone regularly as soon as possible!

God Bless,  
Jenn McCrea
