# Beautiful Savior

## LUTHERAN SCHOOL

*Excellence in Education Under the Gospel*

BSLS Welcomes Students Back!  
(in scheduled visits)  
We have missed you!

We are very excited to see some of our students come in for one-on-one or small group assessments beginning tomorrow. Please remember to come for your pre-arranged meeting with a mask to wear while in the school. We will be doing the screening process for everyone who is entering the school. If you or your child is not feeling well, and/or displaying any symptoms, please stay home.

Your child will be with the teacher(s) for a scheduled 30 minutes. While your child(ren) are in the school, we offer you the use of our picnic table (in the front yard) and/or to take a walk in the neighbourhood. We are just one short block from the river path that follows the river. It is a beautiful walk and we hope to have staff available to join you! We will aim to show you a few routes to circle back to the school.

The students will be asked to use sanitizer as they enter and will be met by their teacher. The teacher will escort them back to the front door and will be sure to join the child with the adult before leaving. The desks and tables used by children will be cleaned before new students will be able to enter. If your child needs to use the washroom, they will use the classroom washrooms, but we are hoping that with short visits, we will also limit washroom use.

We are looking forward to seeing your faces in person! If you have any questions or concerns, please contact me. Have a wonderful evening.

God Bless,  
Jenn McCrea
