

Beautiful Savior

LUTHERAN SCHOOL

Excellence in Education Under the Gospel

Earlier today, the Chief Provincial Public Health Officer declared that Winnipeg Metropolitan Health Region will move to the Orange/Restricted level under the Province's Pandemic Response System, effective Monday, September 28th.

School divisions, Independent Schools, and Child Care Centres, including nursery, have been advised that the health orders under this new level are being applied in a focused manner and **do not** currently apply to schools or childcare centres. That means that BSLS & Childcare remains at the Yellow/Caution level and will continue with the Orange/Caution level precautions and safety measures already in place.

We look forward to seeing everyone next week, as per our new 'normal'. Stay safe and have a great weekend.

Mrs. McCrea

Given the rise in COVID-19 positive cases in the Winnipeg area, Dr. Roussin has issued a Public Health directive for the City of Winnipeg and surrounding area

Effective Monday, September 28,

- indoor and outdoor public gatherings have been reduced to a maximum of 10 people.
- Masks are mandatory in indoor public spaces. This includes publicly accessible spaces such as reception areas of buildings where services are provided.
