LUTHERAN SCHOOL

Excellence in Education, Under the Gospel

Good afternoon,

We wanted to have some fun in the remaining weeks at school this year, so we are kicking off our Wacky Wednesday's again!

Each class was responsible for picking a theme for a day and so the following are our themes to dress up on the remaining Wednesdays until the end of the year! Classes will receive points based on the percentage of participation and the winning class will receive a prize! (Last time, the grade one class received a pizza party for their participation.)

Happy dress up!
