## LUTHERAN SCHOOL

*Excellence in Education, Under the Gospel*

We are excited that our clothing website has been updated and new fresh clothing items are available for purchase!

There are t-shirts, sweatshirts, togues, accessories, and more now available to order and receive by Christmas! With this website, we have chosen good quality items that will last long hours of children playing and being tough. There are logo and colour options beyond your imagination!

Have fun and get your new BSLS clothing item to show your pride, in your school!  
The school receives a small percentage of the order price as a fundraiser. Order by Nov. 25th and you should receive them by Christmas! Thank you for your support!
