LUTHERAN SCHOOL

Excellence in Education, Under the Gospel

Good afternoon,

It is so exciting to hear the sounds of children (and parents) in the hallway! The excitement in their voices and the laughter that fills the halls is something that is just exhilarating as an educator.

The first day is already flying by and all students are adjusting really well. Expect the children to be a little extra tired for the next few days especially, but also lasting a few weeks! It is quite a change from routines of the summer and everyone takes a little bit to make adjustments. The sooner you can get back to routines or create new 'school' routines, the better.

It is great to welcome our new students, families, and staff. Please join us in the hospitality room each morning this week. We are meeting in the tech lab (near the north entrance) for treats and a coffee and/or tea. It is a great way to meet new people and reconnect from the summer.

Next Wednesday we will have our first chapel and we welcome parents, friends, and family to join us (you are always welcome). Chapel begins each Wednesday at 9:00 am and lasts for approximately 20-30 minutes. You are welcome to stay for as long as you can.

If you have any questions or concerns, please come and visit me. Send me an email and we can set a time to meet.
