

# Beautiful Savior

LUTHERAN SCHOOL

*Excellence in Education, Under the Gospel*

Do you require care for your child(ren) for in-service, early dismissal days, and or Spring Break? If you do, please complete the link below to register.

We staff and plan for the program based on the number of children registered. We require at least one months notice for sign up or for cancellation (or you will be charged).

At least two weeks in advance you will receive confirmation of registration and any pertinent information for the day.

If you have any questions, please contact Ms. Penner, our Program Director, for more information!
